Raise You Up / Just Be

Kinky Boots

Once I was afraid, but then you came along
Put your faith in me and I was challenged to be strong
When I lost my way, you were there to see me through
Now let Lola lend some love and do the same for you!

[PONT]
Feed your fire, to take you higher
We'll light you up like a live wire
Celebrate you, to elevate you
When you struggle to stand, we'll take a helping hand

[REFRAIN]
If you hit the dust
Let me raise you up
When your bubble busts
Let me raise you up
If your glitter rusts
Let me raise you up (and up)
Raise you up
Raise you up
Raise you up

Never put much heart in anything before
You strut into my life and help me go for something more
Now I stand up for myself
Now I stand out from the crowd
Now I'm standing on high heels
If Dad could see me now!

[PONT]
[REFRAIN]

I knew you had it in you
I knew what you could do
You believed in me
Let me be right for you
Your stumbling days are done
Now we're walking on air
I was a loose shoe but you need two to make a pair

_ Wait wait wait wait wait hold it right there, buster!
Are you saying you'd like to take me out?
_ Yes
_ Are you saying you are Nicola are through?
_ Yes
_ Are you saying you are *actually* available?
_ Yes
_ And you still like girls?
_ Yes!
_ Oh… carry on!

[PONT]

Look out, Milan
Here comes Don
And Don has brought some friends along
When you start things out of certainty
Then the ones you love
Are gonna set you free!
